YANKEES MEET WHITE SOX IN CRUCIAL SERIES

Brooklyn Dodgers, New York Giants and Reds Also Renew Scrap for the Pennant.

BABE RUTH WANTS 50 HOME RUN HITS

CHICAGO, Ill., Sept. 15.—One of the most crucial series in American league history opened here today when the New York Yankees leading the American league by three points against the Chicago White Sox in the first game of a three game series. Unless Cleveland loses a game it will be necessary for the Yankees to win all three contests in order to maintain their position at the top of the American league column.

Box are on trail. The White Sox are closely trailing the Speaker team and victories for them will naturally be of great aid to the pennant fight. The Yankees arrived here this morning full of pep and confident that they can maintain their lead in the race in spite of the sensational play of Kid Gleason's 1913 champions during the last two months. The present position of the White Sox is due to the fine playing of the team during the past two months.

Cleveland gained on the Yankees Wednesday by defeating Philadelphia, while the White Sox and league leaders enjoyed a brief rest.

The present standing of the White Sox is two and one half games behind the Yankees and one and one half games behind the Indians.

In the event Cleveland should win three and the Yankees lose an equal number of the series the fight would then be between the Indians and White Sox as the Yankees would drop into the third position. Cleveland is at present one full game behind the New York team although, but three points in percentage. The Yankees have a full game lead, however, and it will be necessary to eliminate this before the Speaker tribe can enter the first division.

DODGERS MUST SHOW SPEED. New York, Sept. 15.—The eyes of the baseball world today were turned to the fight between Brooklyn and Cleveland in the first of the series of three games that will have an important bearing on the outcome of the pennant race in the National League.

Brooklyn, now leading the league by a comfortable margin, has 12 more games to play. If the Superbas break even in these contests they will finish the season with 86 victories and 64 defeats.

Chickentown, the champion, to lose out Brooklyn under these conditions, would have to capture six of the 12 games, while the Giants would have to win 15 out of the 17 games.

The fluctuating, feverish race for first honors in the American league has held the close attention of fans in New York, leading slightly, but 12 more games to play, Cleveland has 17 and Chicago 14.

Prince Loree Sets New Mark

Syracuse, N. Y., Sept. 15.—One of the most recent and another equally as the Grand Circuit meeting Wednesday, Prince Loree and his team won a great victory over the Syracuse team in a game that broke the world's record held by the Syracuse team for the first time in 1913. Loree's mark for the first is 2014. Prince Loree is owned by Capt. David Shaw of Cleveland and was driven today by Michael Devitt.

Transpact equaled the world's record for 10-year-old racing colts in the 1-11 class racing event. General Todd established the mark seven years ago. The time equaled the fastest heat of the Syracuse meeting made by Peter Manning in the first heat of the Empire state stakes.

Elmer Willson Boosts Torreon

Elmer Willson, formerly a motorcycle officer and now traveling salesman for an El Paso wholesale firm, was deeply impressed by the ability of many Mexican baseball clubs which he witnessed in action during a recent trip through the interior.

Torreon, Gomez Palacios and Lerdo have particularly strong teams and play a splendid standard of baseball. Willson states. The teams are well equipped and they know how to use their equipment. There is a local "Baby Ruth" residing in Torreon who slugged out three home runs in one day, his team winning by the score of three to one.

BRITISH GOLFERS LOSE. Columbus, Ohio, Sept. 15.—George Sargent, professional at the Scioto Country club here, and Mike Brady of the Calumet club of Detroit, defeated the British golfers, Harry Vardon and Ted Ray, yesterday, 2 and 1.

STEINER GOES TO DRAW. Montreal, Can., Sept. 15.—Joe Blanche, American wrestling champion and Wladyslaw Eyskowsky, of Poland, went to a draw in a two hour match tonight.
